STATEWIDE CURRENT SITUATION:

Pursuant to his powers as Governor of the State of Texas, Greg Abbott issued Proclamations on May 11th, May 15th, May 25th, and May 26th, 2015, certifying that the severe weather, tornado and flooding incident that began on Monday May 4th, 2015, has caused a disaster in many Texas counties. Severe weather, tornadoes and flooding continue in these and other counties in Texas. Therefore, the Governor of the State of Texas, has amended the aforementioned proclamations and declares a disaster in Angelina, Archer, Atascosa, Austin, Bastrop, Baylor, Blanco, Bosque, Bowie, Brazoria, Brazos, Burleson, Caldwell, Calhoun, Cass, Chambers, Cherokee, Clay, Collin, Comal, Comanche, Cooke, Dallas, Denton, Dewitt, Eastland, Edwards, Ellis, Erath, Fannin, Fayette, Fort Bend, Gaines, Garza, Gillespie, Grayson, Grimes, Guadalupe, Harris, Harrison, Hays, Henderson, Hidalgo, Hill, Hood, Houston, Jack, Jasper, Johnson, Kaufman, Kendall, Lamar, Lee, Leon, Liberty, Lubbock, Lynn, Madison, Milam, Montague, Nacogdoches, Navarro, Newton, Nueces, Palo Pinto, Parker, Polk, Real, Red River, Refugio, Robertson, Rusk, Sabine, San Augustine, San Jacinto, Shelby, Smith, Somervell, Starr, Tarrant, Travis, Trinity, Tyler, Uvalde, Van Zandt, Victoria, Walker, Waller, Wharton, Wichita, Williamson, Wilson, Wise and Zavala Counties, authorizing mobilization of state resources to assist impacted communities. This brings the total number counties so far to **94**.

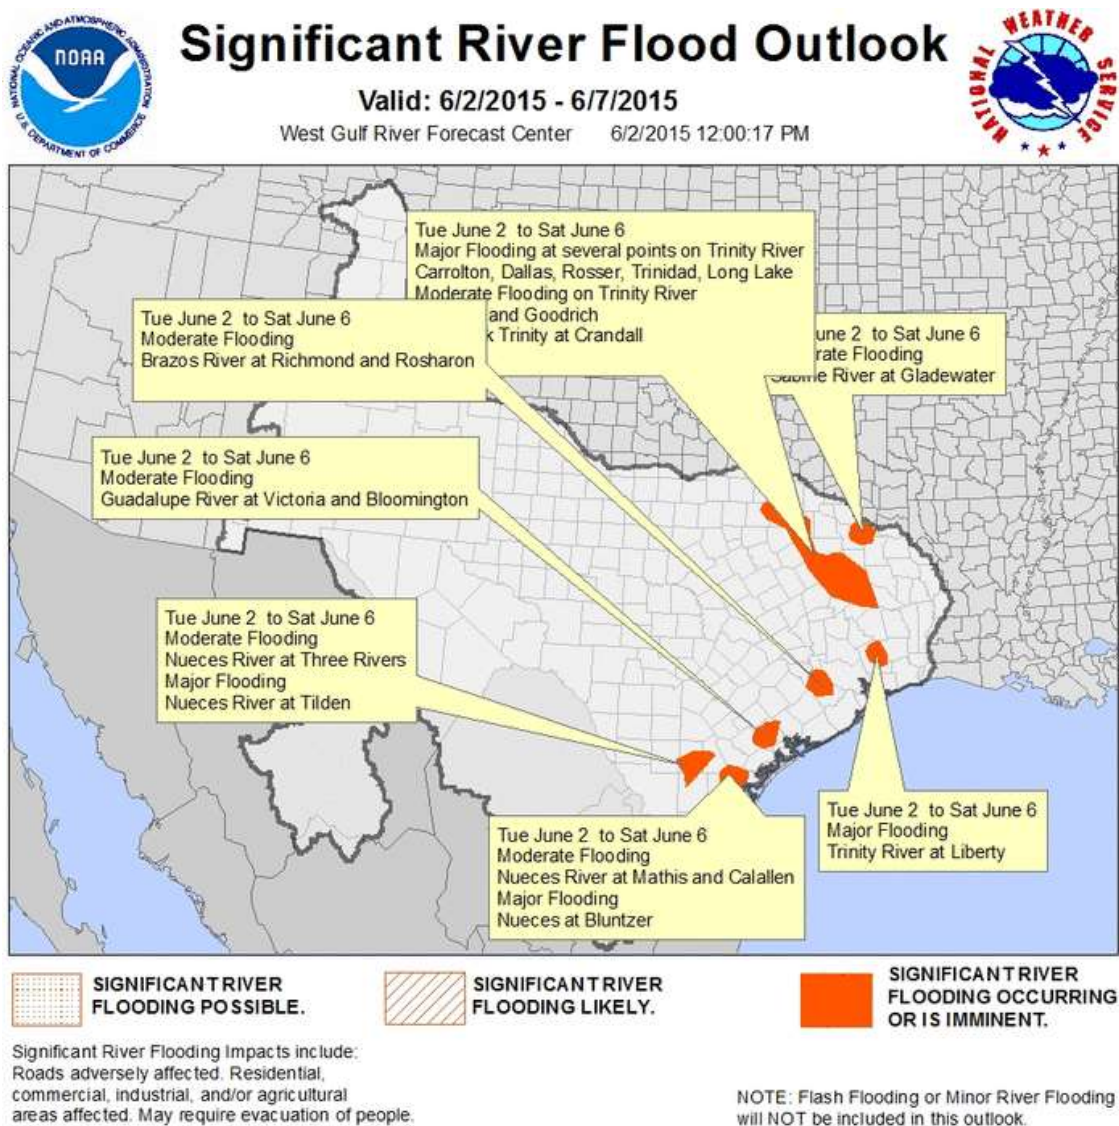

The Governor requested and the President approved a Major Disaster Declaration (DR-4223) on May 29th, 2015. This action ordered federal aid to supplement state, tribal and local recovery efforts in the area affected by the severe storms, tornadoes, straight line winds and flooding beginning on May 4th 2015. The President's actions makes federal funding available to affected individuals in Harris, Hays, and Van Zandt counties. Federal funding also is available to state, tribal, and eligible local governments and certain private nonprofit organizations on a cost-

sharing basis for emergency work and the repair or replacement of facilities damaged by the severe storms, tornadoes, straight-line winds and flooding in Cooke, Gaines, Grimes, Harris, Hays, Navarro, and Van Zandt counties. Additional counties may be added to the declaration as the situation develops.

Individuals who sustained damage within the State of Texas during the May storms, may call **1-800-621-3362** to register with FEMA.

The SOC continues to conduct daily severe weather conference calls with the National Weather Service Offices, state agency representatives and volunteer organizations at 10:00 a.m. (CDT). The SOC increased its readiness to Level I (Emergency Conditions) at 6:00 a.m. Sunday, May 24th.

Even though significant rainfall is not forecast for several days, moderate and major flooding will continue for the next couple of weeks.

Public Drinking Water and Wastewater Updates

Multiple Boil Water Notices are in effect for the following counties: Bastrop, Caldwell, Cherokee, Hays, Hood, Liberty, Limestone, Montgomery, Parker, Rusk, Travis, Walker.

Numerous Sanitary Sewer Overflows (SSO) have been reported around the state due to flooding. TCEQ Region Offices continue to monitor the situation.

Sherwin Alumina (San Patricio County)

Sherwin received no rain 6/1. The raw water lake level continues to decrease and there are no levee issues. They continue to draw from the raw water lake with just the siphon in order to reduce the accumulated water from recent rain events.

ALCOA (Calhoun County)

ALCOA did not receive any rain between 8 a.m. 6/1 and 8 a.m. 6/2. They continue to move water from raw water lake to DDA2 and continue to pump and treat the lake waters through the treatment plant and discharge through outfall 001.

TCEQ Dam Safety Program continues to monitor several dams across the state, that have been impacted by the flooding conditions. Updates will be provided, as needed.

Texas Department of Transportation (TxDOT): Forty roads remain closed across the state due to flooding or damage. Updates can be found at DriveTexas.org. Debris removal is ongoing. TxDOT is monitoring the Possum Kingdom Flood Gate openings in Palo Pinto County and has placed barricades on Highway 16. Bridge inspections are ongoing. 8,000 sandbags are ready for deployment at the Liberty Maintenance yard. 350 personnel are responding statewide.

TxDOT continues to clear roadway debris and provide support across the State. TxDOT continues to monitor the roadways. TxDOT moved 40 barricades to Blanco County, and crews continued to perform debris pickup and pavement repair throughout the day. A total of 4,600 sandbags are positioned in Rusk County, 6,500 sandbags in Liberty County, 4,800 in Dallas and 4,800 sandbags in Fort Worth. Employees and equipment are deployed in Johnson County to assist with debris cleanup. TxDOT has 30 employees, five gradalls, 19 ten-yard trucks, 12 flagmen, eight brush monitors in Johnson County. District Maintenance personnel will ride with area engineer to conduct a district-wide survey of impacted areas in the Tyler District. Rusk County has one gradall and one employee assisting the city and county with brush loading.

In Foard County, a detour has been placed due to the temporary washout; hope to have new bridge on highway open this week.

In Bowie County, FM 1397 was closed at the request of the Texarkana Office of Emergency Management. There are some concerns about the levee's stability. Water has begun to spring up through the pavement and one spot has begun to bulge. Emergency culvert repair on FM 559 has been delayed due to the flooding on the surrounding sections of roads.

In Grayson County, FM 1310 remains closed due to water over the road coming from Lake Texoma's emergency spillway. Other roads also remain closed due to flooding.

IH35 service road at the Red River, and IH 44 service road at the Wichita River are closed due to flooding. TxDOT has nine personnel, one loader, two portable message boards, three dynamic message signs, one portable signal and six other vehicles deployed in these areas.

In Red River County, FMs 195, 410 and 1159 remain closed due to high water.

In Lamar County, US 271 remains closed at the state line.

In Van Zandt County, a contract for debris removal, which begins in Van today, was executed yesterday.
